

Massage

Massage has been practised for thousands of years and benefits both mind and body. The treatment manipulates the soft tissue of the body producing heat and stimulating the muscular, vascular and nervous system. Massage can either have a relaxing or invigorating effect and create a feeling of well-being.

Aromatherapy Massage

Enjoy the combination of specialised essential oils chosen to suit your needs with a unique aromatherapy massage to stimulate circulation, relieve muscular tension and promote deep relaxation. You will leave the treatment feeling wonderfully relaxed.

Swedish Massage

Relax at any time of the day with a massage that focuses on releasing tension and re-energizing the body. Using a swedish massage technique this massage will release tension, relieve sore muscles, break down knots and increase the blood flow. This is an amazing treatment which will help give you more movement and energy
